**Wine and culture – a passion that stays fresh over time  
Santa Margherita is the sponsor of the third edition of “Stupefatte Visioni di Natura - Veneto Theatre Review” September-October 2013**

Santa Margherita is confirming its desire to support the best in culture with its sponsorship of the third edition of “Stupefatte Visioni di Natura” – Veneto Theatre Review, to be staged in Refrontolo, Treviso.

There's a generous programme of evenings featuring theatre and Veneto culture that is being added to the range of projects that bind the company to the territory in which it operates, in its desire to promote artistic traditions and support initiatives staged for the community.

In the heart of the Prosecco di Conegliano-Valdobbiadene DOCG production area, the company has an estate of 16 hectares, 11 of which are planted with Glera vines. There at the Molinetto della Croda, Refrontolo, on Saturday 21<sup>st</sup> September the Compagnia Piccolo Teatro Città di Chioggia will perform **Carlo Goldoni's** comedy, "I pettegolezzi delle donne".

The final toast of this event will bear the Santa Margherita hallmark, with its Prosecco Superiore “Rive di Refrontolo” Brut Valdobbiadene DOCG wine, a particularly “austere”, elegant version of this varietal. The brilliant straw yellow colour, tinged with greenish reflections, is a prelude to a floral and pale fruit fragrance in the nose. Clean and fresh on the palate, with an extremely fine perlage that prolongs the rich array of taste and aromatic sensations over space and time.
